Dear Sir,

Greetings of the Day!

It gives us immense pleasure to extend you a cordial invitation to deliver a guest lecture to our First Year Engineering students. We feel proud in inviting you for the **Expert Talk**.

Our Institute is situated in the heart of Aurangabad city and the name "Deogiri Institute of Engineering and Management Studies" is approved by AICTE, Government of Maharashtra and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere.

We take a lot of effort to groom our students, not only in their chosen discipline, but also broaden their mindsets and create a positive attitude thus equipping them with all qualities to make them face the competitive world. The core values of the Institute help the students to develop their overall personality to become a successful technocrat at global level. The institute is trying to provide as much exposure as possible to nurture the talent to make them ready for the upcoming challenges that they are going to face in future globally.

To reduce the gap between academics and co-curricular activities, we regularly organize guest lectures. As per our telephonic conversation I request you to deliver a guest lecture on "Health and Fitness" to our First Year Engineering Students and provide your Expert guidance.

The Expert Talk is scheduled on 13th April(Saturday) 2023 at 2:15 pm for FE-IX Students.

Dear Sir,

Greetings of the Day!

It gives us immense pleasure to extend you a cordial invitation to deliver a guest lecture in the induction program organized for our First Year Engineering students. The Student Induction Program is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

Our Institute is situated in the heart of the Aurangabad city in the name 'Deogiri Institute of Engineering and Management Studies' which is approved by AICTE, Government of Maharashtra and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere.

We take lot of efforts to groom our students, not only in their chosen discipline, but also broaden their mindsets and create positive attitudes thus, equipping them with all qualities to make them an asset to whichever Institute/organization they may join. The core values of the Institute help the students to develop their overall personality to become a successful technocrat to compete and work at global level. The college is trying to provide as much exposure as possible to nurture the talents to make them ready for the upcoming challenges that they are going to face in their journey as corporate personnel.

As per our telephonic conversation the details of your guest lecture are:

Date: 26/08/2023

Time: 01:15 pm to 03:15 pm

Looking forward to have your Esteemed Presence in our Institute.

Mr. Pawan Kumar,
Dy.Commandant / Executive,
CISF.

Dear Sir,

Greetings of the Day!

It gives us immense pleasure to extend you a cordial invitation to deliver a guest lecture in the induction program organized for our First Year Engineering students. The Student Induction Program is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

Our Institute is situated in the heart of the Aurangabad city in the name 'Deogiri Institute of Engineering and Management Studies' which is approved by AICTE, Government of Maharashtra and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere.

We take lot of efforts to groom our students, not only in their chosen discipline, but also broaden their mindsets create positive attitudes thus, equipping them with all qualities to make them an asset to whichever Institute/organization they may join. The core values of the Institute help the students to develop their overall personality to become a successful technocrat to compete and work at global level. The college is trying to provide as much exposure as possible to nurture the talents to make them ready for the upcoming challenges that they are going to face in their journey as corporate personnel.

As per our telephonic conversation the details of your guest lecture are:

Date: 24/08/2023.

Time: 11.15 PM to 12.15 PM

Looking forward to have your Esteemed Presence in our Institute.
